*There are more things in
heaven and Earth, Horatio,
Than are dreamt of in

Hamlet (1.5.167-8)

Once a Wall Street banker, Chris Arnade spent three years crisscrossing the United States to visit “the places you were told not to go to.” His travels took him from the Bronx to the Ozarks to East Los Angeles. He will share, in conversation with Dr. Patrick Deneen, why he started his journey, what he discovered, and why what he learned is so relevant in today's America.
