

# The Journey to the Truth

An exhibit on the Servant of God Fr. Luigi Giussani on the centennial of his birth

The year 2022 marks the centenary of the birth of the Servant of God Fr. Luigi Giussani (1922-2005). This anniversary offers the opportunity to deepen and make known the novelty that he continues to bring into the lives of many, the "vibration" of faith that he transmitted with his proposal, for the good of the Church and of society. How does Fr. Giussani help us face today's many challenges? How does his thinking address the questions of this year's Encounter's theme? What does his spiritual fatherhood generate today? These questions are at the center of "The Journey to the Truth," an exhibit first presented at New York Encounter 2022. If you would like to know more about the life and the legacy of Father Luigi Giussani, please also visit the virtual exhibition created on the occasion of the centenary of his birth at <https://mostra.luigigiussani.org>.
