SOMOS: Doctors on the Front Line

Caring for people and communities on the periphery with **Mario Paredes**, chief executive officer of Somos Community Care, and **Ricardo Rivera**, chief development officer of Somos Community Care

SOMOS is a physician-led network of more than 2,500 physicians and 800 community health providers responsible for the health of more than 650,000 Medicaid patients living in New York City—particularly members of the Asian, African-American and Latino communities.

In a great many cases, SOMOS doctors work and live in the same neighborhoods as their patients, often sharing their linguistic and ethnic backgrounds. Indeed, cultural sensibility and compatibility between provider and patient is of the utmost importance...
